

# Launch Vehicle Shaped Piggy Bank!

## Instruction

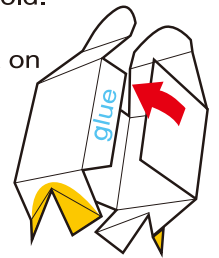

- 1 Cut out the paper parts (body A, body B) by cutting along the black lines.

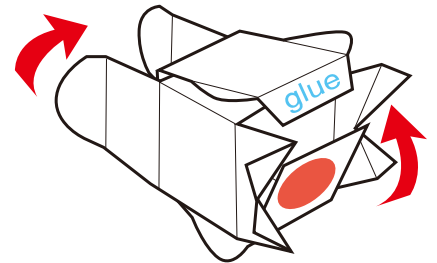

Use a cutter to make a hole.

- 2 Fold the dotted line with a mountain fold.

- 3 First, glue body A on and assemble it.

- 4 Cover Body A with Body B so that the hole of coin is up, and combine the two. Then glue Body B to the body.

- 5 Stick the tip together.

- 6 For the part of jets, first make valley folds along the dotted lines and then glue it on.

It's all done!
